INTRODUCTION

The year 2022 - 2023 was a year filled with efforts and dedicated works to support the downtrodden and marginalized communities and protecting environment in Ramnad District towards sustainable development in multidimensional aspects. This report covers the experience of AWARD Trust for the financial year ending March 31st 2023 in the field of sustainable agriculture development, environmental protection, Orientation Programme, Health awareness programme, community development, Leadership Training, HIV/AIDS and linkages with various link minded organizations and institutions.

ABOUT AWARD Trust

The AWARENESS FOR WOMEN AND ACTION FOR RURAL DEVELOPMENT (AWARD) Trust Station Functioning since 2004 and it was registered in 2005 under Trust Act, to eradicate of Rural Development with emphasis on economic upliftment. It is expending service to the people in various sector spheres, including formation of self help group (SHG) and facilitating in getting bank tie up, shed development activities.

The AWARD Trust has its head office at Mudukulathur Ramanathapuram District. The main activities of our NGO are to eradicate poverty in rural areas to create job opportunities to all , to preserve the Natural resources in the world and to act as a facilitating agency to the Rural Agricultural people. AWARD Trust has Executive members for administration and all the divisions are taken in the executive committee based on the suggestions of NGO advisor. The committee meeting is held every month once and special meeting in conducted whenever necessary. The Committee gives the power to the secretary of the NGO to take up action for imperative circumstances.

Some problem associated with the lace of economic Development, Inadequate sanitation and clean water, indoor air pollution from bio mass, burning and many types of land degradation is developing areas have poverty as their root cause. With this is mint AWARD Trust was given shape in the year of 2004 , Mudukulathur Taluk. The activities of the trust will be in such a way that it address to the problem of the area and help the people to solve them. The trustees and other associated persons with the trust will be working towards this goal.

Leadership Training

This particular programme has been implemented with leadership training and mass involvement of Mudukulathur Government Arts college students. There are 150 college students who participated. Mr. M. Natarajan Deputy Superintendent of Police, Mudukulathur Presided this program. Mr. Selladurai Principal Govt arts & Science College, Mudukulathur delivered the address about leadership quality. The Nss Officer N.Shanmuganathan and NCC Officer Govt. Higher Secondary School, Mudukulathur engaged the gathering with their knowledge and experience to motivate the Youth group. The leadership all programme is very successfully and effective.

Vocational Training Centre

Tailoring:

This technical training center has been set up in Mudukulathur Block. Fifty rural women were engaged in this training. The preference has been to the socially and economically disadvantaged groups. Two instructors have been appointed to provide the training facilities such as scaling, cutting, embroidering, stitching and hand working. This programme is not only for income generation among the rural women but also for escaping from beedi and match box industries with lowest wage rate. These women will move from a society after finishing up their training and this society will be associated to other leading industries connected with Garment Making for picking up backward and forward linkages.

• FUTURE PERSPECTIVES OF AWARD Trust

- Environment awareness generation and eco-restoration of rural areas.
